Stat. §66.0307 permit a property owner in the Town to request connection to City sewer and/or water services prior to attaching the property to the City, provided that the owner agrees to pay for extension of the sewer and/or water services over a five-year period with interest, and the owner agrees to attachment to City at the end of the five-year period; and,

WHEREAS, Janet Lounsbury, the Owner of real property located at 60 White Oaks Lane in the Town of Middleton (hereinafter referred to as "the Property"), wishes to formally connect her existing single-family residence to City of Madison sanitary sewer facilities currently located in a public utility easement in White Oaks Lane, a private roadway serving the White Oaks subdivision; and,

WHEREAS, on March 4, 2016, the Owner submitted a petition (Legislative File ID 42058) to attach the Property to the City with an effective date of five (5) years following the effective date of the attachment ordinance as provided for in said Plan; and,

NOW THEREFORE BE IT RESOLVED the Mayor and City Clerk are hereby authorized to sign an Attachment Agreement for the Property, on a form approved by the City Attorney, under which the Property will be attached to the City in five years and the Property will be formally connected to the City's sanitary sewer facilities and may also request connection to the City's public water supply; and,
