**Body**  
The City of Madison Parks Division has received a request from Cherokee Park, Inc., the Developer of 1507 Burningwood Way ("Development"), whose contractor is R.G. Huston Co., Inc. The Contractor requests the temporary use of the area identified in Cherokee Marsh (North Unit) under the following terms and conditions:

The Work must be completed between the hours of 7:00 am and 2:30 pm and may not span more than 7 days after the work has begun. Any other entry into the park constitutes trespass.

The Applicant is responsible for all clean up after the Work is completed, including removal of any erosion control measures. If City resources are required for cleanup, the Applicant will be invoiced on a time and material basis for all costs incurred to the City.

The Applicant shall provide a refundable deposit of \$1,000.00 with City of Madison Parks Division, which may be used by the City for repairs or cleanup made to the park. Any remaining portions of the deposit may be

The Work shall only begin upon written or verbal approval by the Madison Parks Division and after the receipt of the signed Temporary Land Use Permit and related deposit.

Upon completion of the Work, a post inspection of the property will be conducted. At the time of the post inspection, the City of Madison Parks Division will make a determination if any restoration or clean up will be required.

The City of Madison reserves the right to use and occupy the Property in a manner consistent with the rights conveyed herein, provided that such use and occupancy shall not interfere with or disturb the activities and/or use of the Applicant.
