Fiscal Note

The proposed resolution amends the 2017 adopted Capital Budget by transferring \$45,000 from the 2016 Police Building Improvements project (MUNIS Project 10952) and \$5,000 from the 2017 Police Building Improvements project (MUNIS Project 10953) to a new project for the purchase of a used Lenco Bearcat vehicle. There may be some minor expense related with the return of the military vehicle which the Bearcat will replace and with preparing the Bearcat for use. These expenses will be absorbed within the Department’s existing operating budget.
