Fiscal Note

This proposed resolution changes the classification title of positions #1850 and #1774 from Water Quality Aide to Water Quality Sampler.

The proposed reclassification of position #1850 from CG16-RG9 to CG16-RG13 results in an annual cost increase of \$6,497 including both salary and benefits. This cost will be absorbed within the Water Utility's existing operating budget.

The reclassification of position #1774 is a title change only that is planned to be filled lateral to the existing position's CG-RG level; therefore having no fiscal impact.
