Body

BACKGROUND

The Mansion Hill-James Madison Park Neighborhood program, part of the approved plan for Tax Incremental District #32 (Upper State Street) was created on January 2011 (RES-11-00042, Legistar #20749) for the purpose of assisting with conversion of deteriorating rental housing into renovated owner occupied housing. The program was amended on August 2014 (RES-14-00576, Legistar #34644), April 2015 (RES-15-00344, Legistar #37775) and November 2016 (RES-16-00856, Legistar #44934). It provides forgivable loans to eligible borrowers for the purchase and/or renovation of rental properties in the Mansion Hill-James Madison Park Neighborhood.

Loan funds provided through the Program for each renovation project are subject to the following conditions:

- TIF assistance is provided in the form of a 0% interest note secured by subordinated mortgage on the Property, with no debt service payments. Principal balance is forgiven after the completion of renovation work has been verified by the City. A Land Use Restriction Agreement (LURA) is also executed, to ensure owner-occupancy for the entire ten-year period, and contains a penalty provision requiring loan repayment of up to \$50,000 to the City if the Property is rented for more than 12 consecutive months or becomes non-owner occupied.
- Borrower must provide a commitment for a title insurance policy of the proper type and amount of coverage to the City. The City shall receive a lender's policy.
- Borrower and its contractors/subcontractors must comply with all applicable provisions of the Madison General Ordinance (MGO) 39.02(9), concerning contract compliance requirements. Prior to commencing construction, Borrower must:
 - contact the City's Civil Rights Division to assure that Borrower is in compliance with the aforementioned requirements;
 - assist and actively cooperate with the Civil Rights Division in obtaining the compliance of contractors and subcontractors with such applicable provisions of the MGO; and
 - allow maximum feasible opportunity to minority/disadvantaged women business enterprises to compete for any contract.
- Borrower must meet applicable accessibility accommodations for the Project, as required by MGO 39.05.
- Borrower must comply with all applicable local, state and federal provisions concerning Equal Opportunity and Fair Housing.
- Borrower must guarantee that the construction of the Project will be completed within one year of closing, or City approves an extension.
