Title

Establishing absentee voting locations for the 2018 Spring Election.

Body

WHEREAS, voting is both a right and the vital core of a healthy democracy; and

WHEREAS, the goal of the Madison City Clerk's Office is that each eligible voter will be able to cast a ballot and have that ballot counted; and

WHEREAS, absentee ballots cast in-person are less likely than ballots sent through the mail to be rejected at the polls due to missing signatures or witness addresses; and

WHEREAS, the use of the ExpressVote accessible voting device to mark absentee ballots at alternate absentee voting sites eliminates the risk of selecting too many candidates for one office; and

WHEREAS, it is inequitable to limit in-person absentee voting to Madison residents who are able to obtain transportation downtown; and

WHEREAS, offering in-person absentee voting at multiple sites throughout the City may further racial equity for residents who have not historically been involved in the voting process;

NOW, THEREFORE, BE IT RESOLVED, that the City of Madison chooses to make in-person absentee voting

more accessible and equitable by establishing the following in-person absentee voting locations for the April 2018 Spring Election:
