WHEREAS, On October 30, 2013 the City of Madison (the "City") executed a Purchase and Sale Agreement (the "PSA") with Gorman Holdings, Inc. f/k/a Gorman & Company, Inc. WHEREAS, Phase 5 of the PSA is subject to an Option Agreement (the "Option") dated August 14, 2015 which is set to expire on August 14, 2018, which was to be exercised upon the Guarantor proposing a project with a financing gap of \$686,000; and

WHEREAS, the Guarantor proposes to construct a housing project supported in part by tax credits, but does not meet the requirements of the Option due to a deficiency in gap under the TIF Policy, and the City has agreed to terminate the Option, and provide the land comprising of Phase 5 under the PSA under the terms stated herein; and

NOW THEREFORE BE IT RESOLVED, the Common Council hereby authorizes the Mayor and City Clerk to terminate the Option, and provide the land comprising of Phase 5 under the PSA in accordance with substantially the following terms and conditions:

The Buyer shall notify the Seller of any valid objection to title, in writing, prior to the end of the Buyer's Contingency Period. The Seller shall have a reasonable time, but not exceeding fifteen (15) days, to remove the objections and closing shall be extended as necessary for this purpose. The Buyer's failure to timely deliver written notice of termination under Section (a) of the preceding sentence shall be deemed to be waiver of the Buyer's objections to title. At Closing, the Seller shall also cause the Title Company to issue a gap endorsement. Between the effective date of the commitment and Closing, the Seller shall not place any additional encumbrances against the Property (except for such encumbrances that the Seller shall remove at such Closing).

- 7. Environmental Remediation. Provided the Buyer has elected to proceed with the purchase of the Property following review of the Buyer's contingencies pursuant to Section 9, the Seller shall have no further responsibility for the remediation of any environmental contamination on the Property, except for the correction of any condition that violates the Seller's warranties under Section 6 regarding the environmental condition of the Property.

The Seller and the Buyer shall agree that the Property is being offered to the Buyer on an "all or nothing" basis, and that if the Buyer cancels the Agreement because of the failure of any contingency to be met, then the entire Agreement shall be null and void. The contingencies are:

Such approvals may include, but not be limited to: approval of a PUD, approval by the Urban Design Commission, and all other zoning, building, engineering, traffic and similar approvals and permits necessary to complete the Project (the "Land Use Contingency").

In no event shall the Seller be required to cure any matter to which the Buyer objects relating to the condition of the Property or any improvements thereon. If the Buyer objects to any matters relating to the condition of the Property and any improvements thereon and the Seller is unwilling to cure the Buyer's objections, the Buyer shall have the right to terminate the entire Agreement.

- 10. Survey. The Seller shall provide to the Buyer, at the Seller's expense, within sixty (60) days of the Effective Date, an ALTA/ACSM Land Title Survey of the Property that meets the Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys effective February 23, 2011 in order to eliminate all survey related exceptions to the title insurance policy, certified as of a current date in favor of the Buyer and the Title Company providing the title insurance described in Section 6. The survey would show the location of all exceptions shown by the title commitment that are capable of being shown on a survey.
- 11. Access to Property. The Buyer and its authorized agents and contractors shall be permitted access to the Property for the purpose of conducting a Phase 1 or 2 environmental assessment of the Property and/or a physical inspection of any building and related improvements located on the Property at reasonable times with at least twenty-four (24) hour notice to the Seller. The Buyer shall provide the Seller with copies of all reports and/or studies resulting from any assessments or inspections of the Property performed by the Buyer or its authorized agents and contractors.
- 12. Indemnification. During the Seller's ownership of the Property (or any portion thereof), the Buyer and each of its authorized agents, engineers, consultants and contractors shall, prior to entry upon the Property or any portion thereof owned by the Seller, execute and deliver to the Seller a permit in a form acceptable to the City Attorney. The Buyer shall be liable to and shall agree to indemnify, defend and hold harmless the Seller, and its officers, officials, agents, and employees against all loss or expense (including liability costs and reasonable attorney's fees) by reason of any claim or suit, or of liability imposed by law upon the Seller or its officials, officers, agents or employees for damages because of bodily injury, including death at any time resulting therefrom, sustained by any person or persons or on account of damages to the Property, including loss of use thereof, to the extent arising from, in connection with, caused by or resulting from the acts or omissions of the Buyer and/or its authorized

agents, engineers, consultants and contractors, and all of their and the Buyer's officers, agents, employees, assigns, guests, invitees, licensees, contractors or subcontractors, in the performance of any inspections or testing of the Property. Negligence on the part of the Seller and its officials, officers, agents or employees shall not eliminate the indemnification obligations stated in the preceding sentence. The provisions of this paragraph shall survive termination of this Agreement.

13. Insurance. The Buyer and the Buyer's authorized agents and contractors performing any inspections or testing of the Property shall be required to carry commercial general liability insurance including contractual liability with no less than the following limits of liability, as may be adjusted from time to time by the Seller's Risk Manager: bodily injury, death and property damage of \$1,000,000 per occurrence. The policy or policies shall name the Seller as an additional insured. As evidence of this coverage, the Buyer and its authorized agents and contractors shall furnish to the Seller a certificate of insurance on a form provided by the Seller prior to entering on the Property to perform any inspections or testing as provided herein.
14. Closing.

 - b. The Seller shall execute and deliver to the Buyer at closing the Deed to the Property free and clear from all liens and encumbrances, and the exceptions approved by the Buyer, or to which the Buyer has waived objection, under Sections 5 and 10.
 - c. The Buyer shall pay all recording/filing fees except that the Seller shall pay the recording/filing fees for such documents as are required to be recorded/filed in order to cause title to the Property to be in the condition called for by the Agreement.
 - d. All real estate taxes, if any, with respect to the Property shall be prorated between the Buyer and the Seller as of the date of closing based upon the real estate taxes for the year of closing, if known; otherwise, based on the real estate taxes for the year preceding closing.
 - e. The Seller shall be responsible for any and all special assessments, area assessments, interceptor charges or any other charges payable to any municipality or utility with regard to the Property as of the date of closing.
 - f. The Seller shall pay any Wisconsin Real Estate Transfer fee due in connection with conveyance of the Property.
 - g. The Buyer shall pay one-half, and the Seller shall pay the other half of any closing escrow fees charged by the Title Company to facilitate closing. All other closing costs shall be prorated between the Buyer and the Seller as is customary for commercial real estate transactions in the City of Madison, Wisconsin.

BE IT FURTHER RESOLVED that the City hereby finds and determines that the Project is consistent with the public purposes of Tax Increment Finance Law and the plans and objectives set forth in City of Madison TIF Policy, the City's TIF loan to developer demonstrates the potential to eliminate blighting conditions and encourage a wide range of housing options.

BE IT FURTHER RESOLVED, that the Mayor and City Clerk are hereby authorizes to sell Phase 5 to the Guarantor or its assigns for \$1 and in accordance with terms stated in this resolution.

BE IT STILL FURTHER RESOLVED that the Mayor and City Clerk be authorized to execute a development agreement to fund a \$686,000 Tax Incremental Finance Loan to Gorman and Company, Inc. and its assigns to assist in the development of the City-owned parcel located at 2507 Winnebago Street within the boundary of TID #37 (Union Corners) under the following terms and conditions:

1. The Project. Developer agrees to develop on the Property all of the following:
 - a. Construction of approximately 60 units of affordable housing, and
 - b. Not less than approximately 65 underground parking stalls and 11 surface parking stalls.
2. Prior Agreement. The Parties previously entered into an Option Agreement dated August 14, 2015 for the Property (the "Option"). The terms of the Option required that there be a gap in the amount of the land value. The City has agreed to terminate the Option in favor of providing the land in exchange for a guaranty in the amount of the TIF Loan as defined below, which is above the appraised land value.
3. Form of Assistance. TIF assistance shall be provided in the form of land valued at Six Hundred Eighty Six Thousand Dollars (\$686,000) sold to Developer or its assigns for One Dollar (\$1.00) at closing, and the land value financed as a 0% loan in the amount of Six Hundred Eighty Six Thousand Dollars (\$686,000) ("TIF Loan") to be repaid either through increment or a guaranty payment pursuant to Section 5 through tax year 2025 (final payment due in August of 2026).
4. Evidence of Financing, Audit and Clawback Provision. Prior to the TIF Loan closing, Developer shall provide evidence of bank financing, grant funds and/or equity in the aggregate amount of not less than \$15,203,14,719,000 ("Financing").

Bank financing shall be evidenced in the form of a bank commitment letter and evidence that Developer has met all of the lender's conditions of financing such as commercial pre-leasing requirements, if any.

Equity investment shall be evidenced by paid invoices or other documentation of prepaid project costs paid by Developer and/or a financial statement demonstrating Developer's financial capacity to invest equity in the Project. The Developer's Equity investment may include a cash contribution from the tenant that will occupy the Project, the Developer's contribution of land, and a deferred developer's fee. In aggregate, Developer's equity investment, as established through financing documents shall not be less than the amount of the TIF Loan at closing.

In the event of a self-financed Project, evidence includes but is not limited to, sources and uses, cash flows, pro formas, account statements and other documents to establish capacity to finance the Project, and other construction documents and plans establishing preparedness to begin work, in the reasonable discretion of the City.

After closing, the TIF Loan shall be used solely for the purpose of funding the TIF eligible portion of the total project costs as stated in the TIF Application. The total project costs estimated therein at approximately \$15,889,405,000 ("Project Cost"). Upon completion of the Project defined as issuance of a certificate of occupancy for all elements of the Project, Developer shall provide the City with an audit of the total Project Cost and Financing ("Audit"), to the City's satisfaction, for the City's review and approval. If the City does not approve the Developer's Audit of Project Cost, the City may request additional information from the Developer and may perform its own audit of Developer's books and records related to Project Cost and Financing. In the event that the financing gap for the Project (which is equal to the amount of the TIF Loan) is reduced by a decrease, as established by the Audit, in the Project Cost ("Audited Actual Cost") and/or an increase, as established by the Audit, in Financing ("Audited Actual Financing"), the following formula shall apply to determine the clawback payment due to the City ("Clawback"):

The Clawback shall be calculated as follows:

1. "Cost Savings" = \$15,889,405,000, minus the Audited Actual Cost; and
2. "Financing Increase" = Audited Actual Financing minus \$15,203,14,719,000.

If the sum of (1) Cost Savings and (2) Financing Increase is a negative number, there shall be no Clawback. If the sum is a positive number, Developer shall pay the City Fifty Percent (50%) of such positive number as a Clawback.

Developer's payment of the Clawback shall be applied as a payment to the tax increment guaranty under Section 7 below and shall reduce the outstanding amount of the TIF Loan pursuant to Section 5 below.

4. Method of Payment and Tax Increment Guaranty. The City's expenditure in providing the TIF Loan for the Project shall be repaid by Developer through tax increments generated by the Project and/or cash payments by Gorman Holdings, Inc. (the "Guarantor") pursuant to Section 6. A schedule of the projected increment used to calculate the TIF Loan amount shall be attached to the Agreement ("Increment Schedule").
5. Sale to Tax Exempt Entity - PILOT Payment. Developer shall be prohibited from selling or transferring the Property prior to the Developer's repayment of the TIF Loan without the prior written consent of the City (except for transfers made pursuant to foreclosure of senior loan on the Project). If Developer sells or transfers the Property to a tax-exempt entity ("Buyer"), whereupon such ownership renders the Property as property tax-exempt, Buyer shall pay the City an annual payment in lieu of taxes (PILOT) in the amount of property tax last levied as of the date of sale to Buyer, frozen, through 2035. The City of Madison shall share said PILOT in proportion with the overlying taxing jurisdictions. Buyer shall execute a PILOT Agreement and a mortgage in favor of the City in the amount of the PILOT payments ("Buyer's Mortgage") at the time of Buyer's acquisition of the Property. The Buyer's Mortgage and PILOT Agreement shall be released and terminated by the City upon the receipt by the City of the required PILOT payments.
6. Security and Corporate Guaranty. The TIF Loan shall be evidenced by a Note executed by Developer, or its assigns, to the City of Madison in the amount of Six Hundred Eighty Six Thousand Dollars (\$686,000) bearing zero percent (0%) interest ("Note"). Developer shall execute a mortgage in favor of the City of Madison securing payment of the TIF Loan ("Mortgage"). The City shall agree, if necessary, to execute a subordination of mortgage in a form approved by the City Attorney and acceptable to Developer and Developer's lender(s). The Guarantor shall execute a corporate guaranty guaranteeing payment of the TIF Loan.
7. Satisfaction and Early Termination. The TIF Mortgage and Agreement shall be satisfied and the Note cancelled via a recordable release upon full payment of the TIF Loan. Further, it is agreed that in the event Developer fails to close on tax credits or other financing for the project by October 15, 2018, the City shall be paid the amount of the TIF Loan and the Agreement shall be terminated and mortgage satisfied.
8. Affirmative Action MGO 39.02 (9). Developer and its contractors/subcontractors shall comply with all applicable provisions of the Madison General Ordinance (MGO) 39.02 (9), concerning contract compliance requirements. Prior to commencing construction, Developer shall contact the City's Affirmative Action Division to assure that Developer is in compliance with the aforementioned requirements. Developer shall assist and actively cooperate with the Affirmative Action Division in obtaining the compliance of contractors and subcontractors with such applicable provisions of the Madison General Ordinance. Developer shall allow maximum feasible opportunity to small business enterprises to compete for any contracts entered into pursuant to the contract. The Developer understands that it is obligated to meet the goal set by the Department of Civil Rights, or show best efforts to meet the goal based on documented evidence of efforts.

Furthermore, in order to ensure compliance with the above provisions, Developer and its contractor agree to the following:

- a. The general contractor provide a schedule of values as soon as reasonably possible following the execution of this Term Sheet.
- b. A meeting shall take place before loan closing to set affirmative action goals for the project. Additional meetings may be scheduled at the request of DCR and must be held within 10 days of the request.
- c. At 80% completion, the goal is either met, signed contracts establish that the goal will be met, or documented good faith efforts are shown as to why the goal is not met.

For the purposes of this paragraph, "Completion" shall mean expenditure of total project costs as described in the TIF Application.

9. Accessibility (MGO 39.05). Developer shall submit a written assurance of compliance with Madison General Ordinance 39.05.
10. Equal Opportunity. Developer shall comply with all applicable local, state and federal provisions concerning Equal Opportunity.
11. Ban the Box. Developer shall comply with Madison General Ordinance 39.08 related to job applicant arrest and conviction records.
12. Material Changes. At the time of Closing, if any material changes to the size, use or ownership of the Project or Property stated in the TIF Application have been made, this TIF Loan commitment shall be subject to reconsideration by the City. Following Closing, any material change made without consent of the City shall subject the TIF Loan to immediate repayment. Notwithstanding the foregoing, the City acknowledges that the Developer may, with the prior approval of the City, which approval may not be unreasonably withheld, reconfigure the size and use of the Project to address current market conditions (for example, the number and configuration of parking stalls may be increased or decreased, and certain space designated for office use may be converted to retail use).
13. Project Completion. Developer shall guarantee that the construction of the Project will be completed by March 1, 2020. Project completion shall be evidenced by the issuance of a certificate of occupancy. Failure to complete the Project by said date will require payment under the increment guaranty in Section 6.
14. Property Insurance. Prior to funding, evidence shall be provided that a property insurance policy of the proper type and amount of coverage to protect the City's participation has been obtained. The policy shall name the City of Madison as an additional insured.
15. Title Insurance. At least fifteen (15) days prior to closing, Developer shall provide a commitment for a title insurance policy of the proper type and amount of coverage to the City. The City shall receive a lender's policy in a form to be approved by the City Attorney, which will require, among other things, an updated survey of the Property. Developer shall be responsible for all lending costs and fees.
16. Environmental Assessment. Developer shall provide the City an environmental assessment of the Property which is acceptable to staff.
17. Automatic Expiration. The TIF Loan to Developer shall be null and void in the event that Developer does not take possession of the Property, by December 31, 2018.

BE IT FURTHER RESOLVED that the Mayor and City Clerk are authorized to execute, deliver and record such documents and to take such other actions as shall be necessary or desirable to accomplish the purposes of this resolution all in a form to be approved by the City Attorney.
