### Fiscal Note

The proposed resolution authorizes the Community Development Authority (CDA) to appropriate \$137,777 of CDA replacement reserve funds for capital improvements and repairs at Truax Park Redevelopment Phase 1. The CDA has funded the Truax Park Redevelopment Phase 1 replacement reserve account, of which the current balance is \$137,777, and the CDA will continue to fund this account from project operating funds in accordance with the Amended and Restated Operating Agreement. CDA reserve funds can be used for minor repairs and major renovations (e.g., roof and boiler replacements). Expenses of this type are charged to Purchased Services in CDA's operating budget and then reimbursed from replacement reserve funds. No additional City appropriation is required.
