No City appropriation is required for the proposed Permanent Limited Easement and Temporary Limited Easement. The Wisconsin Department of Transportation (WisDOT) will pay the City of Madison \$11,120 for the acquisition of the easement rights. The payment will be deposited into the Golf Enterprise managed by the Parks Division. WisDOT's offering price is based upon the difference in the fair market value of the property before and after the acquisition of easement rights, as determined by an appraisal that was reviewed and approved by the City's Office of Real Estate Services, as well as the City Parks Division.
