Fiscal Note

The proposed resolution changes the authorized strength of three existing Metro Transit Customer Service positions (#2680, #3374, #3831) from 0.5 FTE to 0.6 FTE. The total annual cost of the proposed change is projected to be \$28,500, or \$9,500 per position annually. The increased costs to the City are attributed to the positions eligibility for health insurance and WRS enrollment when changed to 0.6 FTE.
