Authorizing the Mayor and City Clerk to execute amended agreements with the State of Wisconsin Department of Transportation and Village of Shorewood Hills for design and construction of University Avenue - Shorewood Blvd. to University Bay Dr. (5th AD)
PREAMBLE

The City is proposing to reconstruct University Avenue from Shorewood Blvd. to University Bay Dr. in 2021. The City has hired KL Engineering to prepare plans and specifications and has entered into agreements with the Village of Shorewood Hills and Wisconsin Department of Transportation for design cost sharing. Amended agreements are required to include construction costs. The project will be managed by the Wisconsin Department of Transportation (WisDOT). The basis for cost sharing participation is as follows:

- 1) Design Engineering: All design-engineering costs are 100% local funding (City of Madison and Village of Shorewood Hills)

- 2) Participating Construction: costs are 57% federal funding and 43% local funding (includes roadway work)
- 3) Non-Participating Construction: costs are 100% local funding (includes local utility work)

NOW THEREFORE BE IT RESOLVED that the Mayor and City Clerk are hereby authorized to execute amended agreements with the State of Wisconsin Department of Transportation and Village of Shorewood Hills for design and construction of University Avenue - Shorewood Blvd. to University Bay Dr.
