WHEREAS, of the \$97,880 in federal CDBG funds available, the Parks Division was authorized to use up to \$40,000 to implement public improvements to Emerson East Park (formerly Pennsylvania Park), based on objectives identified in the Emerson East-Eken Park-Yahara River (EEEEPY) Neighborhood Plan, which identified improving parks and greenspace as a priority; and,

WHEREAS, community members expressed their preference that the funds be used to enhance Emerson East Park with public art; and,

WHEREAS, on October 17, 2017 the City issued a request for qualifications for artists interested in creating public art proposals for Emerson East Park and ran an extensive, neighborhood-based, public process to select an artist and their proposed project for the location; and,

WHEREAS, City staff worked with the artist, the Eken Park Neighborhood, and City Agencies to refine the design to meet City agencies' design concerns, and to include a third pronoun "US" to the approved design for the "WE" and "OUR" pronouns; and,

WHEREAS, on September 3, 2019, the Madison Common Council approved Resolution Number RES-19-00631, Legislative File I.D. Number 56886, authorizing the Mayor and the City Clerk to amend a contract between the City of Madison and Raymond Chi to provide an additional \$30,000 in funding from the Municipal Arts Fund to complete the fabrication and installation of *The People's Pronouns* according to the artist's original vision, which included all three pronouns; and,
