Fiscal Note

On March 23, 2020, the Mayor issued an Emergency Proclamation based on the increasing transmission of the COVID-19 virus within the City of Madison. To help mitigate the financial impacts of this emergency on the businesses and residents of Madison, the proposed resolution extends the licensure expiration date to August 31, 2020 of all City licenses issued pursuant to MGO Section 9.02. Fee revenue will not be lost as a result of this change, but collection of this revenue will be delayed from June to August. The City generates approximately \$535,000 in license revenue each year, with the majority of revenue received during the months of May, June, and July.

A budget amendment is not proposed at this time. The Finance Department is closely monitoring the 2020 budget and subsequent budget amendment resolutions to fully fund the response efforts are anticipated in the future.
