Fiscal Note

The proposed resolution authorizes the City Clerk to apply for and accept a Coronavirus Aid, Relief, and Economic Security (CARES) subgrant from the Wisconsin Elections Commission. Under a formula established by the WI Elections Commission, grant amounts are determined by providing a \$200 base plus \$1.10 for each registered voter. Based on this formula, Madison will receive \$198,200. Eligible costs under the grant program include: additional ballot supplies, printing, postage, personal protective equipment, and polling location cleaning.

The Clerk's Office is planning to utilize the increased funding for postage costs driven by increased levels of absentee voting. The 2020 Adopted Budget included \$60,000 for postage costs, as of June 30, 2020, the Clerk's Office spent nearly \$145,000 on postage, largely driven by April absentee ballot mailing costs.
