## Title

SECOND SUBSTITUTE. Creating Sections 28.022 - 00468 of the Madison General Ordinances to change the zoning of properties located at 1-19 North Pinckney Street, 120 East Washington Avenue and 22 North Webster Street, 4<sup>th</sup> Aldermanic District, from DC (Downtown Core) District to PD(GDP) Planned Development (General Development Plan), and creating and 28.022 - 00469 of the Madison General Ordinances to change the zoning of same from PD(GDP) Planned Development (General Development Plan) District to PD(SIP) Planned Development (Specific Implementation Plan) District.

## Body

DRAFTER'S ANALYSIS: This second substitute is necessary to revise the legal description in order to remove area the applicant does not own and is not proposed for development. Furthermore, this second substitute is necessary because during the development of plans related to this project it became apparent that part of the development is proposed in city right-of-way (alley) and, therefore, that for the rezoning and development to take place the city will need to vacate that right-of-way. This second substitute ordinance therefore delays the effective date of the rezoning ordinance to coincide with Common Council action to vacate the right-of-way. If the Common Council does not vacate the right-of-way, the ordinance will not become effective and the property will not be rezoned.
