Fiscal Note

The proposed resolution executes an addendum to a lease with Hovde Building, LLC for parking stalls at the Overture Center garage. The company currently leases a minimum of 40 and a maximum of 90 parking stalls. These stalls are leased at 105% of the effective residential rate (currently \$150/month).

Hovde Building, LLC's needs for parking have declined due to COVID-19, and the proposed resolution would waive the 40 parking stall minimum. This waiver will be effective for the period November 1, 2020 to October 31, 2021. Hovde Building, LLC's monthly parking fees would continue to be charged based on the contract terms. Waiving the current 40 parking stall minimum would eliminate guaranteed revenues of \$6,300 per month or \$75,600 for the 12 month period. The waiver will create Parking revenue losses to the extent that

the company leases fewer than 40 stalls.
