### Fiscal Note

The 2021 Adopted Operating Budget established a pilot Crisis Response Team program in the Fire Department-Fire Operations budget which will include some combination of Madison Fire Department (MFD) Community Paramedics and contracted mental health providers.

Dane County will provide two Crisis Workers and a Supervisor to work with MFD's Crisis Response Team through a contract with Journey Mental Health Center, Inc. (Journey). The City will reimburse Dane County for a portion of these costs. A resolution authorizing the agreement between the City and Dane County (Legistar File #64586) is in process.

This resolution authorizes a memorandum of understanding (MOU) between MFD and Journey establishing the operational and staffing protocols for the Crisis Workers and Supervisor. All costs associated with these contracted health providers including transportation, equipment, logistical and supply obligations will be borne by Journey, with the exception of office space which will be provided by MFD with existing resources. No appropriation is required.
