### Fiscal Note

This resolution authorizes outside counsel for issuance of Sewer System Revenue bonds. Legal fees associated with these services are tied to the size of the issuance. Legal fees for the 2020 Sewer System Revenue bond issuance totaled \$14,720 on \$17.4 million of bonds issued. The fee schedule described in the resolution remains the same. The two firms have a separate agreement that determines the distribution of the fees. Legal fees for issuance are paid from bond proceeds.
