No City appropriation required.

Amending Section 28.151, Supplemental Regulations, Portable Shelter Mission, to allow a governmental entity to establish a portable shelter mission and to update references to the Wisconsin Administrative Code and Amending Chapter 28, Tables 28C-1, 28D-2, 28E-2, 28F-1, and 28G-1 to allow Portable Shelter Mission as a permitted accessory use in all zoning districts.

DRAFTER'S ANALYSIS: Currently, Portable Shelter Mission is a conditional accessory use in all residential districts, the TSS District, and the UMX District. Further, under the current ordinance, portable shelter missions may be established by non-profit organizations and religious institutions.

This ordinance amends the portable shelter mission supplemental regulations to allow local governments to establish portable shelter missions. In addition, under this ordinance, portable shelter missions would become a permitted accessory use in all zoning districts, as opposed to a conditional accessory use in all residential districts, TSS, and UMX.

Finally, this ordinance updates the reference to the state campground regulations, which may be applicable to some portable shelter mission sites.

The Common Council of the City of Madison do hereby ordain as follows:
