Updating the City's policy for assessment of sanitary sewer improvements to serve unsewered and sewer lands located within the current and future boundaries of the City of Madison. (Citywide)

Body

WHEREAS, the City of Madison needs to establish the conditions for connection to City sanitary sewer facilities to unsewered and sewer lands within the City of Madison, and;

WHEREAS, providing sanitary sewer service to properties is a municipal service necessary for the City to grow, and;

WHEREAS, the use of special assessments for the extension of new sanitary sewer reduces the impact of
