Title

Authorizing the City of Madison, as the Collaborative Applicant on behalf of the Madison/Dane County Continuum of Care (CoC), to accept a planning grant award of up to \$249,000 from HUD's FY20 Youth Homelessness Demonstration Program (YHDP) competition; authorizing the Mayor and City Clerk to execute an agreement with Briarpatch Youth Services, Inc., to administer and carry out the goals of the grant; and amending the Community Development Division's 2022 Adopted Operating Budget, as appropriate.

Body

BACKGROUND

The Youth Homelessness Demonstration Program (CFDA #14.276) is an initiative developed by the U.S. Department of Housing and Urban Development (HUD) to reduce the number of youth experiencing homelessness -- both unaccompanied minors and youth ages 18-24 -- in communities across the nation. HUD solicits applications from communities looking to expand their work around youth homelessness. Communities are evaluated on several criteria, including Leadership Capacity, Community Need, Collaboration, Youth Collaboration, and Data & Evaluation Capacity. Selected communities receive technical assistance and support from HUD to develop a Coordinated Community Plan (CCP) to Prevent and End Youth Homelessness. HUD also provides funding that enables communities to implement the strategies identified in their CCP.

On May 24, 2021, HUD released a Notice of Funding Opportunity (NOFO #FR-6400-N-35), announcing its FY20 YHDP grant award competition. As a result of this grant competition, HUD announced on September 15, 2021, that the Madison/Dane County Continuum of Care (CoC) was among the successful applicants, receiving an aggregate YHDP grant award of \$2,447,820. Partners in writing the application included Youth Action Board, Dane County CoC members, Briarpatch, Dane County (Public Child Welfare Agency), The Road Home, City of Madison, Madison Metropolitan School District, Sun Prairie School District, Institute for Community Alliances and the Homeless Services Consortium's Committee to End Youth Homelessness.

Up to \$249,000 of this YHDP grant award is specifically earmarked for a Planning Project to be administered and implemented by the non-profit Briarpatch Youth Services, Inc., serving as the lead agency and working in collaboration with the Madison/Dane County CoC. The City of Madison, as the Collaborative Applicant on behalf of the local CoC, will maintain responsibility for overseeing the disbursement of funds to the non-profit, as well as associated reimbursements to the City (also known as drawdown requests) via HUD's electronic Line of Credit Control System (eLOCCS).

The YHDP Planning Project aims to create a system clearly designed by youth, for youth, that is welcoming, supportive and encouraging, and helps youth in achieving and maintaining housing stability. The first phase of the Project is a planning process to create a Coordinated Community Plan (CCP). Once HUD approves the CCP, there will be a local funding competition. While the City of Madison is the lead/collaborative applicant for the local CoC and will assist in this whole process, ultimate funding decisions will be made by the Homeless Services Consortium's Board of Directors, who will finalize the list of projects and seek HUD's approval on those decisions. These funds will be renewed through HUD's annual CoC Notice of Funding Opportunity (NOFO) funding process.
