### Title

Accepting final report and proposed solutions of Stricker's/Mendota Watershed Report. (19th AD)

### Body

City Engineering is bringing the first completed watershed study before the Board of Public Works. Watershed Studies will be completed for the City's 22 watersheds over the next 5-10 years. This study is called the Stricker's/Mendota Watershed Study. The Stricker's/Mendota Watershed is located on the west side of the City of Madison. The Watershed Study Report describes the methodology, approach, and results of the watershed study.
