Title

Amending Section 8.27(3) of the Madison General Ordinances to update the Cross-Country Ski Permit Program.

Body

DRAFTER'S ANALYSIS: This ordinance updates the City's existing cross-country ski program and permit system. The ordinance removes the specific references to Elver Park and Odana Hills, and instead places the location of covered facilities under the authority of the Board of Parks Commissioners, who can designate certain parks and golf courses as part of the City's cross country ski program. The fees from the permit are used to support the City's cross-country ski program and maintenance activities at the covered locations. This change will give the Parks Division more flexibility in locating cross-country ski facilities within the City's park and golf course system.

****

The Common Council of the City of Madison do hereby ordain as follows:

1. Subsection (3) of Section 8.27 entitled "Snow Mobile and Cross-Country Ski Regulations" of the Madison General Ordinances is amended as follows:

"(3) It shall be unlawful for any person to cross-country ski in ~~Elver and Odana Parks~~ any City park or on any City golf course that is designated as part of the City's cross country ski program by the Board of Parks Commission unless the person is in possession of a City or County permit issued for such purpose and is utilizing trails that are clearly marked and groomed for cross-country skiing."
