Title

Authorizing Madison Water Utility to use N Harris Computer Corporation as a sole source provider of Customer Information System (CIS) software and Meter Data Management (MDM) software.

Body

WHEREAS, N Harris Computer Corporation is the parent organization for Advanced Utility Systems and Harris SmartWorks; and

WHEREAS, Madison Water Utility issued a Request for Proposals (RFP) to purchase an Advanced Metering Infrastructure System in 2011 (RFP 8142-0-2009), and Harris SmartWorks MeterSense Meter Data

Management software was selected through that competitive process; and

WHEREAS, Madison Water Utility issued a RFP to purchase a Customer Information System in 2003, and Advanced Utility Systems CIS Infinity software was selected through that competitive process; and

WHEREAS, Madison Water Utility has a need to purchase annual maintenance services and software enhancements for these systems throughout the year; and

WHEREAS, Advanced Utility Systems and Harris SmartWorks software has been used by Madison Water Utility for many years; and

WHEREAS, N Harris Computer Corporation has been deemed a sole source provider in the past by City Purchasing for the provision of this software and annual maintenance; and

WHEREAS, per MGO 4.26(4)(b), if a service contract exceeds \$25,000 and the contract was not subject to a competitive selection process, the contract shall meet one of the requirements of sec. 4.26(4)(a) and be approved by the Common Council, and signed by the Mayor and Clerk; and

WHEREAS, for the reasons explained above, N Harris Computer Corporation is the only provider that can provide the services needed by Madison Water Utility, thereby meeting the exception of 4.26(a)(2) which provides that a sole source contract may be approved if the services are available from only one person or firm;

NOW, THEREFORE, BE IT RESOLVED, that the Common Council hereby authorizes the City to enter into a sole source agreement with N Harris Computer Corporation (including their subsidiaries Advanced Utility Systems and Harris SmartWorks) for the purchase of CIS and MDM software and annual maintenance services for the next 5 years and authorizes the Mayor and City Clerk to sign contract(s) for the same .
