Fiscal Note

The proposed resolution approves plans and specifications and authorizes 680 Canyons LLC to undertake construction for the project known as 686 Grand Canyon Drive and rescinds the previous resolution. The developer previously received approval for the project via RES-24-00042 on January 26, 2024 (Legistar #81406). The plans are updated due to the developer and the City Storm Utility agreeing to revise the location for the installation of the public storm sewer from W Platte Drive to Grand Canyon Drive due to potential constructability issues. The total estimated City cost of the project is not to exceed \$25,000 and is unchanged from RES-24-00042. Funding is available in Munis #14142. No additional appropriation is required.
