Fiscal Note

There are no additional costs anticipated for 2009. For the Year 2010, costs will increase depending upon the successful completion of career ladder steps. Assuming completion of the requirements by three staff members by August of 2010, an additional \$2,561 (or \$3,542 including benefits) will be required for salaries and benefits. The City Clerk believes that this additional cost will be offset by a reduction of overtime salaries due to increased efficiencies. No additional appropriation is therefore sought for 2010. Annualized costs for 2011 are projected at approximately \$6,146 (or \$8,500, including benefits) and will be included in the 2011 Clerk's Office Requested Operating Budget, net of any anticipated overtime savings.
