**Title**

Amending Sections 4.25(5)(b) and (6)(d) of the Madison General Ordinances, Procurement of Items of Apparel, to authorize the Committee on Sweatfree Purchases to establish procedures to rank bidders compliance with the bidder disclosure statement requirement.

**Body**

DRAFTER'S ANALYSIS: Sec. 4.25, MGO, currently requires all contractors bidding on a contract for the purchase of apparel to complete sworn bidder disclosure statements for each facility or factory from which the contractor sources its goods. The form requires extensive details about the location, wages, benefits, and other working conditions at each factory. Failure to submit complete forms eliminates a contractor from consideration for the contract. This amendment would allow the Committee on Sweatfree Purchases to establish a procedure to rank the level of a bidders compliance with the disclosure form requirement, to allow for some flexibility. This ordinance would allow the Committee to establish and change the procedure as needed, so the ordinance does not have to be amended every time the ranking system is changed. This ordinance would require the Committee to include their new procedure in the annual report that the Committee is already required to provide to the Common Council under Sec. 4.25(9)(a).
