### Title

Madison Gas and Electric (MGE) will be installing a new underground electrical line and duct package along Femrite Drive. This new line will be installed south side of Femrite Drive from Dutchmill Road east to Agriculture Drive from Agriculture Drive a new duct package will be installed east to 5807 Femrite Drive. This work will begin in mid October 2011 and will be completed in early December 2011.

### Body

A public hearing, for this project, will be held before the City of Madison Board of Public Works at 5:30 p.m. on Wednesday, October 05, 2011 in Room 108 of the City County Building.

The new electrical lines and duct package will be installed by MGE and KS Energy Services in accordance with the City's standards and in compliance with a Permit to Excavate in Public Right-of-way. The electrical lines will be installed using a directional drill to minimize disruption to the site. While the duct package will be installed using traditional cut and cover trenching.

All terrace restoration will be done as required by the Permit to Excavate in Right-of-way.
