File #: 26713, **Version:** 1

Title

345 W. Washington Avenue, Suite 202 (C-06-26-2012)

Alexander Company appealing IBC 403.5.3. The rule requires that the stairway doors shall be capable of being unlocked upon a signal from the Fire Department. Drug Enforcement Agency requires 100% secure space at all times. The Variance requested is to allow a key to be placed in a knox box for use by the Fire Department for Stair 202.
