### Title

Approving the request from Edwin Price of the UW Madison's Department of Forest and Wildlife Ecology for the use of specific parks for a UW Madison research project.

### Body

Now, Therefore Be It Resolved, that The Board of Park Commissioners approves the request with the following conditions:

- A. All after hours activities will be approved by the Parks Superintendent in writing prior to activities occurring.
- B. All installations will be approved by the Parks Operations Manager.
- C. Obtain appropriate permit(s) from the Wisconsin Department of Natural Resources.
