### **Title**

680 Grand Canyon Drive Suite #5 (C-02-08-2016)

Dan Schmidt of Beltline LLC appealing IBC Section 1010.2. The rule requires that non egress ramps have a slope of less than 1:8. The variance requested is to allow a convenience ramp of 1:6.44. Additional means of safety is being provided with an additional exit from the lower level and additional smoke detector stations.
