Title

Approving Revised Plans and Specifications for N. Sherman Avenue Assessment District - 2016.

Body

The City of Madison has approved Plans, Specifications, and Schedule of Assessments for N. Sherman Avenue Assessment District - 2016 (Resolution No. RES-16-00047, ID No. 42913) adopted 6/21/2016.

City Engineering is proposing to revise the design to remove sidewalk on the west side of Sherman Ave, north of Cherokee Club Lane. A Sidewalk alternative is included on Niblick Dr, 150 feet away from the deleted section of sidewalk. Sidewalk is not likely to be extended further north on Sherman Ave in the future due to the presence of wetlands and environmentally sensitive lands. The removed sidewalk would be the City's responsibility to maintain and the deletion reduces operating costs in the future.

Now Therefore Be It Resolved, that the revised Plans and Specifications for N. Sherman Avenue Assessment District - 2016 are hereby approved.
