### **Title**

Authorizing an allocation of up to \$216,000 in CDD Housing Development Reserve Funds to Movin' Out, Inc. for the provision of additional down payment assistance to qualified low- to moderate-income homebuyers.

### **Body**

#### **BACKGROUND**

Movin' Out, Inc. offers provides down payment assistance to low- moderate-income homebuyers that have disabilities as well as to families that include children with disabilities. The organization provides a significant amount of support and coaching to its homebuyer clients throughout the purchase transaction. Agency staff effectively matches homeowners with other available down payment funding sources, leveraging the City of Madison's Community Development Division (CDD) funds to create an affordable mortgage payment. Its counselors also work in collaboration with a diverse array of organizations and lenders on behalf of its clients, to provide the essential coordination among parties (including the realtor, human services, housing authorities, family, support staff, etc.) that is key to effectively navigating the home-buying process.

During the CDD 2014 summer funding cycle, Movin' Out submitted a proposal for up to \$360,000 to provide homebuyer assistance during the 2015 and 2016 calendar years. The organization was awarded \$180,000 in HOME funds for its 2016 program. That original contract allocation, plus an additional \$42,188 in program income, permitted Movin' Out to serve seven households in 2016. Subsequently, Movin' Out was awarded \$144,000 in HOME funds from CDD's Housing Development Reserve Fund to assist four additional households in 2016.

Over the past 18 years of its CDD-funded program, Movin' Out has assisted an average of 12-15 households annually. If approved, the current supplemental request for \$216,000 would permit the agency to serve an additional six clients during 2016.
