If the Lessee fails to perform such removal work within the requisite time period, the City shall have the right to perform such work and charge the costs of such work either as a direct charge to the Lessee or as a special assessment levied upon the Lessee's Abutting Property.
11. The City shall have the right to order the Lessee to promptly remove or replace any part of the Fountain System that is a safety hazard. The Lessee shall make repairs as soon as it becomes aware of them or within seven (7) days when ordered in writing by the City Engineer to do so.
