Fiscal Note

The proposed resolution authorizes the relocation order for the land acquisition needed for Stormwater network improvements from Hughes Place to W. Badger Road at an anticipated cost of \$60,000 funded by Non-GF GO borrowing. This resolution anticipates adoption of a Council Amendment to the 2017 Capital Budget to add a Citywide Flood Mitigation program for improvements to the stormwater network locations which are insufficient during large rain events. The funding and authorization of the work will be dependent on the adoption of that amendment at Common Council on November 14th, 2016.
