### Fiscal Note

The proposed ordinance change will increase Alder salaries by \$2,000 annually, taking effect after the 2017 April elections. Alder salaries were last adjusted in the 2015 Adopted Budget when Alders received a \$4,920 annual increase, the Council President received a \$5,093 annual increase, and the President Pro Tem received a \$4,983 annual increase. The 2015 adjustment also called for an increase to begin in April 2017 that would be based on increases provided to managerial employees in 2015 and 2016, which in 2017 equates to 1.5%. The 2017 Executive Budget provided the following salaries for Council members: Council President (\$17,162), President Pro Tem (\$15,216), and Alders (\$14,105). Under the proposed amendment Alder pay will increase by 14% compared to what is authorized in the Executive Budget.

An amendment to the 2017 Executive Operating Budget (Amendment 2) was offered at BOE to increase Alder salaries by \$3,000 annually. The amendment failed on a 2-4 vote.
