Body

PREAMBLE

The Common Council adopted a plan in 1996 to repair defective sidewalk throughout the City on a ten-year cycle. The plan was updated in 2002 and 2012 to reflect the completed work and to incorporate the reconstituted aldermanic districts. The 15th and 17th Aldermanic Districts have been scheduled for repair in 2017.

Offset, settled or badly cracked sidewalk sections are replaced with this program. Costs for the improvement of sidewalk are assessed to the various parcels based on assessable frontage in accordance with the City of Madison Policy for the Assessment of Street Improvements. The program is also used to install curb ramps at intersections. Curb ramps are funded solely by the City.

NOW THEREFORE BE IT RESOLVED that the plans and specifications for the Annual Construction and Reconstruction of Concrete Sidewalk and Incidental Concrete Curb and Gutter Work Ordered (Districts 15 and 17) by the Common Council be and are hereby approved:

BE IT FURTHER RESOLVED that the Board of Public Works be and is hereby authorized to advertise for and receive bids for the required public works contract.
