### Fiscal Note

The proposed resolution accepts the Community Development Division's (CDD) recommended funding allocations and contracts with community organizations to support youth and adult employment programming. Adopted RES-17-00629 (Legistar file 47999) authorized a competitive RFP from community agencies for providing youth and adult-oriented programming. The 2018 Executive Budget included \$1,278,588 for youth and adult employment agency contracts (youth: \$649,580; adult: \$629,080) with \$50,000 being added to youth employment and \$100,000 being added to adult employment at Council budget adoption for a total of \$1,428,588 in the 2018 Adopted Operating Budget.

The proposed resolution also authorizes reallocation of \$22,500 from adult employment community agency contracts to youth employment contracts in the manner specified. The Community Services Committee recommendations reduced the awards only for those eight (8) adult employment programs recommended to share in additional funds authorized through a budget amendment adopted by the Council, and they calculated those reductions among the eight programs on a proportionate basis. The substitute amendment allocates the \$22,500 reduction evenly among each of the 14 adult employment programs, resulting in a \$1,607 reduction for each, whether or not they shared in the additional funds added to the budget. The third second substitute amendment reinstates the \$22,500 in adult employment funding that the CSC recommended reallocating to youth employment. The restored funds would be allocated per the November 16, 2017 staff recommendations for adult employment. The remaining \$7,500 in youth employment shall be evenly distributed between Mellowhood, Mentoring Positives, Bayview, and Centro Hispano. allocates the \$22,500 reduction evenly among each of the 8 applicant agencies recommended by the GSG Committee to receive funding. For purposed of this calculation, the collaborative proposal put forth by the Goodman Community Center, the Kennedy Heights Neighborhood Association and the Lussier Community Education Center is treated as a single applicant agency. The total amount for youth and adult employment community agency contracts is unchanged.

### Title

3rd SUBSTITUTE: Authorizing the allocation of up to \$729,080 for use in supporting adult employment contracts, and up to \$699,508 for youth employment contracts, amending the City's 2018 Adopted Operating Budget to authorize the transfer of \$22,500 from funds budgeted for adult employment contracts to those budgeted for youth employment contracts, modifying the Community Services Committee recommendations with respect to specific adult employment contract awards, and authorizing the Mayor and City Clerk to enter into contracts with non-profit organizations selected through a Request for Proposals (RFP) process conducted by the Community Development Division to provide programming, beginning in 2018, that is geared toward preparing and connecting individuals with employment.

### Body

WHEREAS, the Community Development Division (CDD), in consultation with the Community Services Committee, is responsible for formulating recommendations to the Mayor and Common Council regarding the use of City resources budgeted to support a broad array of community services, most of which are delivered through purchase of service contracts with private, non-profit agencies; and

WHEREAS, in accordance with RES-17-00629 (Legistar Item #47999), adopted by the Common Council on August 1, 2017, the CDD undertook a competitive RFP process to solicit and select proposals from agencies for providing youth- and adult-oriented programming to residents in the City of Madison; and

WHEREAS, in crafting that RFP, CDD staff drew on the recommendations of the FCI study and, gathering input from other funders and collaborative partners, developed a funding framework entitled “Building Human Capital: Youth and Adult Employment Initiative” and introduced important new elements into the RFP funding goals, including:
