Title

Approving Plans, Specifications, And Schedule Of Assessments For East Johnson Street Assessment District - 2019. (2nd & 12th ADs)

Body

The City of Madison and the WisDOT propose to enter into an agreement for construction and cost sharing of the proposed project. The basis for cost sharing participation is as follows:

- 1) Design Engineering: All design-engineering costs necessitated by the street reconstruction are 100% Local Funding.
- 2) Local Utilities: The City shall pay for 100% of the cost of installing or adjusting new water and sanitary sewer mains. The City assumes full responsibility for the design, installation, testing and operation of the sanitary sewer and water system. Each affected local municipality shall pay for 100% of the costs for installing or adjusting new or existing local utilities.
- 3) Street Improvements: The WisDOT shall pay approximately 60% of the costs for pavement, concrete curb and gutter, storm sewer, street lights, traffic signals, drive aprons, base material, sidewalk as needed, terrace restoration and all other necessary street improvements for completion of the project, through administration of Federal funding. Federal Funds are limited to \$2,622,000.00; any costs over this limit will be funded by the City of Madison.

The agreement with the State of Wisconsin Department of Transportation for construction cost sharing defines the terms under which the City is awarded Federal funds and the agreement requires that the City indemnify the State of Wisconsin Department of Transportation. City APM 1-1 requires Common Council Approval whenever the City indemnifies another party.

The proposed indemnification language has been reviewed by the City's Risk Manager. The City's risk exposure is increased by this clause, but the exposure is covered by the City's insurance policies, subject to their terms and conditions.

The Board of Public Works and the City Engineer having made reports of all proceedings in relation to the improvement of East Johnson Street Assessment District - 2019 pursuant to a resolution of the Common Council, RES-18-00345, ID No. 51250, adopted May 1, 2018, which resolution was adopted thereto, and the
