Title

Request from Madison Metro Transit for Easement at Wingra Park & Boat Livery

Body

Resolution 17-00796 File ID 48763 authorizes the plans for the Monroe Street reconstruction project. These plans include installation of a bus shelter along Monroe Street at the entrance to Wingra Park. The City wishes to formally establish, by easement, the right of the Madison Metro Transit to use the Easement Area for the installation and operation of a public bus shelter facility as identified in the approved plans.
