The proposed Resolution authorizes the Community Development Division to accept a 2018 Continuum of Care (CoC) grant from the U.S. Department of Housing and Urban Development (HUD). The total grant award is \$93,891. Funding from the grant will be used to fund personnel costs associated with the Dane County/City of Madison Continuum of Care Coordinator position housed within the Community Development Division.

Under the proposed resolution, CDD's 2019 Adopted Operating Budget will be increased as follows:

- Revenue: (93,891)
- Salaries: 79,574
- Purchased Services: 14,317

Authorizing the City to accept an award of \$93,891 from HUD's 2018 Continuum of Care (CoC) Program competition; amending the Community Development Division's 2019 Adopted Operating Budget as appropriate; and authorizing the Mayor and City Clerk to enter into agreements necessary to accept the funds.

### Background

As part of the local Continuum of Care's 2018 federal application cycle, the City of Madison submitted an application to the U.S. Department of Housing and Urban Development (HUD) for funds to hire and support a Dane County/Madison Continuum of Care Coordinator. The primary goal of the position is to support implementation of community-wide processes to manage and coordinate the efforts of local homeless providers and related organizations working to meet the goals of preventing and ending homelessness in Dane County/Madison, Wisconsin. This is the fourth year of funding from HUD for this position; the Community Development Division hired a CoC Coordinator in February 2017. Its continuance hinges on the renewal of this HUD funding.
