The proposed Resolution amends the 2020 Adopted Operating Budget for the Community Development Division (CDD) to reflect the actual grant award amounts for the Continuum of Care grant program. The EHH grant award combines funds from the State of Wisconsin Housing Assistance Program (HAP), Homeless Prevention Program (HPP), and Emergency Solutions Grant (ESG). The 2020 Adopted Budget anticipated a grant of \$610,951, the actual grant award is \$690,000 an increase of \$79,049. Under the proposed amendment, CDD's 2020 Adopted Budget will increase as follows:

- Revenue: +\$79,049 (*which includes \$40,000 pending the State's decision regarding the special allocation for TRC*)
- Salaries/Benefits: -\$1,615
- Purchased Services: +\$80,664 (*which includes \$40,000 pending the State's decision regarding the special allocation for TRC*)

This Resolution also authorizes the Mayor and City Clerk to execute agreements with nonprofit agencies, specified below and in the attachment, to provide services using these EHH funds.

Authorizing the City of Madison, on behalf of the Dane County Continuum of Care (CoC), to accept an aggregate EHH grant award of up to \$690,000 from the State of Wisconsin Department of Administration; authorizing the Mayor and City Clerk to execute agreements with specific Dane County CoC agencies to provide services using the EHH funds; and amending the Community Development Division's 2020 Adopted Operating Budget to reflect receipt of these funds.

BACKGROUND

The City of Madison works closely with Dane County CoC member agencies that serve people experiencing homelessness and those at risk of becoming homeless, and provides leadership and administrative support to the group. This collaborative work includes the City's administration of the State of Wisconsin EHH grant (EHH) on behalf of the Dane County CoC. EHH funds combine the HUD Emergency Solutions Grant (ESG), State of Wisconsin Homeless Prevention Program (HPP) and Housing Assistance Program (HAP), and support the following eligible activities: emergency shelter, street outreach, homeless prevention, rapid re-housing and other housing programs, the Homeless Management Information System (HMIS), and administration. The State Department of Administration's Division of Energy, Housing and Community Resources ("the State") annually distributes available funds among four Wisconsin Continua of Care (CoC) serving Dane, Milwaukee, Racine, and the Balance of State. Funding allocations among the CoCs are determined based on a formula that considers various factors including Point in Time survey counts and system performance. The Dane County CoC Board of Directors, using an open-competitive process, determines the specific agencies and uses for which State EHH funds are used.

The State awarded the Dane County CoC \$650,000 in EHH funds in the 2020-2021 grant cycle; an additional \$40,000 may be awarded for a special allocation project. Following the notice of award, the City will enter into contracts with the nonprofit agencies identified below to provide the activities indicated.
