Approving roadway geometry for the Cedar Street and South Park Street intersection improvements. (13th AD)

The intersection of Cedar Street/South Park Street will be reconfigured to improve pedestrian and bicycle crossing movements because of the new Cedar Street connection to Fish Hatchery Road.

One public informational meeting was held to present designs and obtain public input.

NOW THEREFORE BE IT RESOLVED that the roadway geometry for the construction of Cedar Street and South Park Street intersection improvements is hereby approved and,

BE IT FURTHER RESOLVED that City Engineering and City Traffic Engineering are hereby authorized to proceed with final design for the project.
