File #: 61310, **Version:** 1

Fiscal Note

The proposed resolution would create a Principal Architect 2 position, and rename the Principal Architect position to Principal Architect 1. The proposed resolution would also recreate position #4309 as a Principal Architect 2, and reallocate the incumbent. The annualized cost of the proposed reclassification and reallocation would be \$6,457. The impact on the 2020 Engineering budget is approximately \$2,825. Costs associated with the reclassification will be absorbed within Engineering's budget.

Title

Create a new classification of Principal Architect 2 in CG 18, R16 and retile the classification of Principal Architect to Principal Architect 1 in CG18, R15, recreate position #4309, Principal Architect (CG 18, R15) into a Principal Architect 2 (CG 18, R 16), and reallocate incumbent B. Cooper to the new position within the Engineering Division.

Body

Resolution creating the classification of Principal Architect 2 in, CG 18, R 16 and,

Be it further resolved, the classification of Principal Architect shall be retitled as Principal Architect 1 in CG18, R15.

Finally, position # 4309 is recreated as a Principal Architect 2 in CG 18, R 16, and reallocate the incumbent to the new position (B. Cooper), within the Engineering Division operating budget, thereof.
