Body

The City of Madison is proposing to construct a new path connecting the Capital City Trail to neighborhoods on the City's northeast side. Construction is planned for 2026. The City is currently seeking Transportation Alternatives Program (TAP) funding. The project will be managed by the Wisconsin Department of Transportation (WisDOT) and a project Agreement with WisDOT will be required for funding, oversight and construction. The City of Madison and WisDOT propose to enter into an agreement for design oversight for this proposed project. The basis for cost sharing participation is as follows:

NOW THEREFORE BE IT RESOLVED that the Mayor and City Clerk are hereby authorized to execute an agreement with the State of Wisconsin Department of Transportation for design oversight for the Autumn Ridge Path-Ziegler Road to Stein Avenue project.

BE IT FURTHER RESOLVED, that the Common Council approves indemnification of the State of Wisconsin Department of Transportation as set forth in the agreement in order to use federal funds for the Autumn Ridge Path-Ziegler Road to Stein Avenue project.
