### Title

Authorizing the Mayor and City Clerk to execute agreements, on behalf of the Dane County Continuum of Care (CoC), for up to \$1,472,134 Emergency Solutions Grant Program Supplemental Funds (ESG-CV) allocated to the State of Wisconsin by the U.S. Department of Housing and Urban Development (HUD) as authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

### Body

#### BACKGROUND

The City of Madison works closely with Dane County Continuum of Care (CoC) member agencies that serve people experiencing homelessness and those at risk of becoming homeless, and provides leadership and administrative support to the group. This collaborative work includes the City's administration of grants, on behalf of the Dane County CoC, made to the CoC by the State of Wisconsin.

The Dane County CoC was awarded \$1,887,265 in Emergency Solutions Grant Program Supplemental Funds (ESG-CV CoC) allocated to the State of Wisconsin by the U.S. Department of Housing and Urban Development (HUD) under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). In addition, the City of Madison received a direct award of ESG-CV funds from HUD. The Dane County CoC Board of Directors is responsible for making the funding allocation decisions for these ESG-CV CoC funds. The City of Madison Community Development Division will serve as the grant recipient and enter into contracts with the subrecipient nonprofit agencies to undertake the activities approved by the Dane CoC Board of Directors.

The Dane County CoC Board of Directors previously allocated \$365,276 of the funds to existing outreach, emergency shelter and prevention projects to respond to immediate COVID-19 response needs. Remaining funds were directed to be allocated through a competitive RFP process. On July 21, 2020, the Common Council approved RES-20-00531 (Legistar Item # 61293), which authorized the City, on behalf of the Dane County CoC, to accept the ESG-CV CoC grant and authorized the Mayor and City Clerk to execute agreements with nonprofit agencies approved by the Dane CoC Board of Directors.

The City Community Development Division (CDD) conducted a joint RFP process to allocate the remaining \$1,472,134 of ESG-CV CoC funds as well as \$1,943,882 of ESG-CV funds granted directly by HUD to the City. Allocation decisions for ESG-CV CoC funds were finalized at the CoC Board of Directors meeting on September 25, 2020 and are presented in this Resolution. A companion Resolution, containing funding recommendations regarding the use of ESG-CV funds awarded directly to the City of Madison from HUD will be presented to the Council for its approval.
