### Title

Authorizing a change to legal documents entered into between the City of Madison and Independent Living, Inc. to reflect the transition of the community-based program funded by the City to another agency, Marquardt Home and Community Based Services, Inc.

### Body

#### Background:

The City of Madison Community Development Division has been notified that Independent Living, Inc. has signed an agreement to transition certain community programs operated by Independent Living to Marquardt Home and Community Based Services, Inc. This program transition is the result of financial difficulties experienced by Independent Living since December 2019. Independent Living determined that, in order to secure these programs, the operations should be transferred to a different agency. As a result of the transition agreement, the executive director of Independent Living, Inc. approved the transfer of the Home Modification program to Marquardt. Authorized by the 2020 City of Madison Operating Budget, adopted by Common Council on November 12, 2019 (Legistar #57501), Independent Living, Inc. received an allocation of \$51,853 to fund the operation of the Home Modification program. Common Council must authorize the execution of a new Purchase of Service contract to Marquardt Home and Community Based Services, Inc. for the amount remaining in 2020 of \$37,092, to transfer authorization of the funds and services to the new entity.
