.Fiscal Note

The proposed resolution authorizes a sole source contract with Sustain Dane to administer the Energy Efficiency in Naturally Occurring Affordable Housing project. In April 2021, the Public Service Commission (PSC) announced that the City of Madison was awarded a \$246,595 WI-PSC Office of Energy Grant which will fund this project. Under the terms of the grant, expenses will be reimbursed at the end of the grant period in 2022. Costs will initially be covered by the Sustainability Improvements capital project. Staff are still working out contract terms with the grantor at which time a budget amendment resolution will be put forward to add funding to the Sustainability Improvements project.
