### Body

#### BACKGROUND

The State had initially signaled its intent to allocate additional funds to CoCs but the timing of their release has been pushed back. Accordingly, reference to the anticipated receipt and use of those funds has been removed in the substitute resolution.

The City of Madison works closely with Dane County Continuum of Care (Dane CoC) member agencies that serve people experiencing homelessness and those at risk of becoming homeless, and provides leadership and administrative support to the group. This collaborative work includes the City's administration of the State of Wisconsin grants on behalf of the Dane County CoC.

The Dane County CoC Board of Directors is responsible for making the funding allocation decisions for the State of Wisconsin grants allocated for Dane CoC. The City of Madison Community Development Division (CDD) serves as the grant recipient and enters into contracts with the subrecipient nonprofit agencies to provide the activities approved by the Dane CoC Board of Directors.

The State awarded the Dane CoC two allocations of Emergency Solutions Grant Program Supplemental Funds (ESG-CV) in 2020 and 2021, totaling \$3,514,765. The City, as the grant recipient, entered into contracts with specific agencies approved by the Dane CoC Board of Directors (RES-20-00733 and RES-21-00199)

Most Dane CoC agencies contracting for the State ESG-CV funds have already expended or project to expend the funds by June 30, 2022. However, Lutheran Social Services of Wisconsin and Upper Michigan (LSS) projects that they will not be able to spend the entire balance of their Rapid Rehousing program award by the grant end date, resulting in up to \$125,000 available for reallocation within Dane CoC.

CDD staff contacted agencies with State ESG-CV contracts and solicited requests for additional funds for existing projects. Dane CoC Board of Directors reviewed the requests and approved \$125,000 of the funds to be allocated to the following agency projects at its February 18, 2022 meeting:

- **Briarpatch** - Up to \$10,600 for street outreach services for youth
- **Porchlight** - Up to \$72,800 for men's shelter services and operation
- **Sankofa Educational Leadership United** - Up to \$41,600 for Rapid Rehousing program rent assistance and services
