Title

Authorizing a Memorandum of Understanding between City of Madison Parks Division and Madison Metropolitan School District, Madison School & Community Recreation, to pilot a swim lesson and aquatic fitness program at the Goodman Pool for the 2022 season.

Body

The Parks Division and Madison School & Community Recreation (MSCR) are looking to partner in providing a pilot swim lesson and aquatic fitness program for the Summer of 2022. The existing Master Use Agreement between the two parties allows for additional program options when both parties agree in writing to the proposed program. Parks is facing serious challenges to filling all seasonal positions and the pools normally used by MSCR for year-long programming will be closed starting for the summer of 2022 for referendum improvements. The partnership is anticipated to be mutually beneficial while providing critical aquatics programming to the community through the season.
